Dear Honda Owner,

Congratulations on your new Honda! We at Pinnacle Honda thank you for giving us the opportunity to serve you and we hope that you are enjoying your new car.

While you would have got your invoice and docketing receipt at the time of delivery a few remaining documents will be sent to you as and when they arrive.

The tentative time frame for the same would be as follows:

1. Tax token. 4-5 working days after registration date of the car.
2. Insurance policy (if done by Pinnacle Honda) 10-15 working days after registration date of the car.
3. Registration Certificate (smart card) 50-60 working days after the date of registration of the car.

As and when we receive these documents my team will inform you of the same and will also arrange to have them delivered, alternately you can also collect the same from our office.

As per the new regulations of the Transport department, High Security Numbers plates have become mandatory for all new registrations. A receipt of the same is issues for each car. Your receipt will be sent to you by courier (if not collected by you). On the receipt the date and time for fixing the number plate is clearly mentioned. Please ensure that you fix your new number plate at the date and time specified. Accordingly to the new rules in place , the registration certificate (smart card) will not be issued till the High Security number plate has been fixed to the car.

I will be personally following up with my team for the same to ensure that the remaining documents are delivered. However in the unfortunate event that some document has not reached you in time, please do call me on 9748457156 or email me at sarmistha.saha@pinnaclehonda.com

Once again thanking you for patronising Pinnacle Honda.

Regards,

For Pinnacle Honda.
